

Student Monitoring System

using PHP and MYSQL

student monitoring system, where personal tutors can monitor the attendance of their first year students. Our system would be developed so it would make it possible to be plugged into the existing systems of the University and if possible use data of them system to add more functionality and ease the administrative tasks staff members have to do.

A large, semi-transparent watermark of the Logicpro Infosystems LPIT Software Solutions logo is overlaid on the page. It consists of the text "Logicpro" in blue, "Infosystems" in red, and "LPIT Software Solutions" in blue below it, with a stylized arrow pointing right to the right of the text.
